

The image shows a modern living room with a rustic industrial aesthetic. A large, dark wooden beam runs across the ceiling. The walls are made of exposed brick. A black leather sofa is the central piece of furniture, with a striped cushion. In the background, a black upright piano is positioned against the brick wall. To the left, a dining table with wooden chairs is visible. A large, arched window with a grid pattern is on the right wall. A black cast-iron pillar stands on the left side of the room. The floor is made of light-colored wood. The room is lit by a modern pendant light fixture.
