5 Central St Giles, Covent Garden

£950,000

A brand new 1 bedroom apartment in this award winning development designed by world leading architect Renzo Piano is located in the heart of the West End. This beautifully presented one bedroom apartment positioned in prime central location of St Giles High Street offers an open plan reception room with full width floor to ceiling windows. There is a modern integrated kitchen with dining area and access to a winter garden. Modern shower room and other benefits include wood flooring, excellent storage and comfort cooling. Central St Giles Piazza enjoys on-site restaurants and you are within a few minutes of the trendy shops, bars and world famous theatres of both Soho and Covent Garden
